

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

January 6, 2009

**AMENDMENT TO SET ITEM #2:**

The item before this Board today concerns the countywide gangs and violence reduction strategy, and the creation of a multi-jurisdictional committee to be known as the Los Angeles County Gang Prevention, Intervention and Suppression Coordination Committee (Committee).

As we all are painfully aware, gangs know no jurisdictional boundaries. Consequently, while two initial pilot sites have been identified as part of this set item, other communities, such as Harbor Gateway and the Monrovia/Duarte to name a few, continue their battle to eradicate gang violence and gang members from their communities.

Moreover, targeted efforts in one community often shift criminal activity to other communities. It is, therefore, critically important that the Committee's implementation plan ensure against any adverse impact on other communities and not remove or reallocate existing resources and services committed in other parts of the County.

I, THEREFORE, MOVE that the Board of Supervisors:

1. Move this item;
2. Direct the Chief Executive Officer to ensure that no existing county resources/services are moved from areas outside of the pilot areas and into the named areas as part of this effort, and,
3. Direct the Auditor-Controller to verify, as part of the upcoming report back, that no existing services /resources are moved from other areas of the county to accomplish the committee's recommendations.
